

# NEIGHBORHOOD NEWS

## I-94 WESTBOUND LANE REDUCTION BEGINS THE MORNING OF DECEMBER 6, 2014

As part of the Zoo Interchange project, a long term lane closure on I-94 West, from 68th Street to 84th Street, will begin the morning of December 6 through late 2015. The Mitchell Boulevard entrance ramp to I-94 West will also be closed during this time. Motorists are advised to exit 68th Street and use O'Connor Street, 70th Street and Greenfield Avenue to get around the restrictions. Greenfield Avenue will become two through-lanes of traffic from 3pm-6pm daily.

### WHAT TO EXPECT DURING CONSTRUCTION

Some construction activities are likely to create noise and/or dust, and some work may be conducted at night during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of intense construction in your area.
